of Correction

Sir:

REQUEST FOR A CERTIFICATE OF CORRECTION UNDER 35 USC §254

It is respectfully requested that a Certificate of Correction be issued to correct the name of the third inventor as listed on the title page of the above-identified Patent Grant on the basis of the following:

A Request for Correction of Filing Receipt was filed in this application on May 24, 2004 requesting correction of third inventor's name from "Kenzo Kiyos" to --Kenzo Kiyose--. A corrected Filing Receipt was issued June 10, 2004 correctly identifying the third inventor's name. (copy attached). However, as granted, the U.S. Letters Patent erroneously indicates the third named inventor as "Kenzo Kiyos". It is therefore respectfully requested that a Certificate of Correction be issued that corrects the third named inventor's name from "Kenzo Kiyos" to --Kenzo Kiyose--.

Attached hereto is a draft Official Certificate of Correction for use by the Patent and Trademark Office correcting the above-identified matter.

MOROTO et al
Patent No. 7,084,547

Because the above-noted error was a mistake in the published grant due to a Patent Office error and was not the fault of the applicant, it is understood that no fee is due in respect to this Petition for Certificate of Correction.

Early and favorable Action on this Request is solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
